Resources for Implementing Long-Acting PrEP

DECERA CLINICAL Education

1 Getting Started: Implementation Playbooks, Workflows & Templates

- American Academy of HIV Medicine Long-Acting Agent Resource Center
  - Practical, ready-to-use clinic tools (eg, SOPs, patient tracking, operational workflows) to help you start up and run a long-acting PrEP program
    - hivlaa.org/administrative/
- HIVMA/NASTAD Long-Acting Injectable PrEP
  - A collection of resources for implementing long-acting PrEP, including frequently asked questions, dosing schematics, and webinar recordings
    - nastad.org/long-acting-injectable-prep
- Ward 86 Long-Acting Antiretroviral Treatment Guidelines
  - Detailed, practice-based guidelines from a high-volume program describing workflows and clinical approaches for long-acting PrEP delivery
    - gettingtozerosf.org/ward-86-lai-prevention-treatment-guidelines/

2 Clinical Guidance: When and How to Use Long-Acting ART

- International Antiviral Society–USA Panel 2024 Recommendations
  - Comprehensive ART recommendations that provide clinical context for regimen selection and management
    - iasusa.org/2024/12/01/antiretroviral-drugs-treatment-prevention-hiv-adults-2024-recommendations-of-the-international-antiviral-society-usa-panel/
- CDC Clinical Guidance for PrEP
  - A core clinical reference for identifying PrEP candidates, selecting regimens, and monitoring over time
    - cdc.gov/hivnexus/hcp/prep/index.html
- CDC MMWR: Clinical Recommendation for Injectable Lenacapavir as HIV PrEP — United States, 2025
  - Recommendation for injectable lenacapavir for PrEP
    - cdc.gov/mmwr/volumes/74/wr/mm7435a1.htm
- HIVguidelines.com PrEP to Prevent HIV and Promote Sexual Health
  - Comprehensive guidelines covering PrEP prescribing, follow-up, and integration with broader sexual health care
    - hivguidelines.org/guideline/hiv-prep/

3 Safety & Problem-Solving: Consults and Drug–Drug Interactions

- National Clinician Consultation Center
  - Provides access to experts for guidance with your PrEP-related clinical questions when you need case-specific decision support
    - nccc.ucsf.edu/
- University of Liverpool HIV Drug Interaction Checker
  - A fast, searchable tool to identify and manage ART medication interactions (useful for regimen changes and concomitant meds)
    - hiv-druginteractions.org/

4 Point-of-Care Tools

- HIV Care Tools App
  - A clinician-facing app with PrEP tools designed for quick reference in clinic
    - aidsetc.org/app
- CDC Clinicians' Quick Guide: What Is Injectable HIV PrEP?
  - A brief point-of-care reference that gives clinicians a quick overview of injectable PrEP for use in practice
    - cdc.gov/hivnexus/media/pdfs/2024/04/cdc-lsht-prevention-brochure-clinicians-quick-guide-what-is-injectable-hiv-prep.pdf
